Debit Cards: EMV® Chip Technology for Debit Cards Coming Soon!

Over the next few months, we will be working hard behind the scenes to update your Pipefitters Steamfitters debit card. We are planning to do a mass reissue to ALL of our debit card holders at the beginning of April 2017. At this time, we will also be moving from Visa to MasterCard. In preparation, we are asking all of our members to verify the primary phone number and address that we have on file. This will help avoid any service interruptions that might otherwise occur. If you should have any questions, please contact the Credit Union and look for more detailed information about this process in January.
